

Once again an entire year has come and gone. We want to take another opportunity to thank our faithful customers, both old and new and wish each of you a Happy New Year.

With a new year comes new things and Grandma's Pantry is excited to share with you what is new in our store. We now carry some new products from King Arthur Flour.

King Arthur Flour is America's oldest flour company with its roots dating back to 1790. When the company began, their goal was to import high quality flour from Europe for American bakers and 100 years later their flour was no longer imported but completely American grown. Since then the company has expanded its quality product line.

Grandma's Pantry has stocked King Arthur unbleached flour and bread flour on our shelves for many years. Their quality flours are unbleached, never bromated and they are milled from only the finest wheat. Now we are very excited to extend our list of King Arthur Flour products.

For those of you who like to bake, but have limited time to do so, we now carry a number of mixes including muffins, biscotti, popovers, cinnamon buns, waffles and scones all of which are easy and delicious. We have also included some helpful gluten-free products which are even new to King Arthur this year. For those who are interested in gluten-free products, we carry a cake enhancer and a whole grain flour blend. Also new to us are powder blends consisting of lemon and orange juice powder as well as espresso powder. We have had customers request some hard to find products and we have included non-diastatic malt powder as well as diastatic malt powder and black cocoa.

In the newsletters in the coming months, we will be highlighting some of these new products along with featuring recipes. All of these products are now available in our store and will be added to our website in the near future. Feel free to contact us at www.GrandmasPantryVa.com or stop in at our store in Harrisonburg VA.

Thanks for visiting our website, and Happy New Year.
