

Sweets for your Sweetie

February is considered the month of romance. On Valentine's Day, 188 million Valentine's Day cards are exchanged annually and more than 36 million heart-shaped boxes of candy are given. Valentine's Day and candy just seem to go together and at Grandma's Pantry we have oodles of candy for that special someone on Valentine's Day.

Chocolate has long been associated with romance, love and passion. Nothing says "I Love You" better than chocolate. Grandma's Pantry has a large selection of mouth-watering chocolates that are regular and sugar-free, as well as great-tasting fudge made fresh right in our store. We also carry a large assortment of specialty candies, from heart-shaped gummies to conversation hearts, and more. Did you know that approximately 8 million conversation hearts are produced in one year and that at least 10 new saying are added each year?

This year, why not let your valentine know how much you care? Let us help you get some “sweets for your sweetie”. Check us out at www.GrandmasPantryVa.com for all your Valentine Candy needs, or call our store and ask about our specialty candy for Valentine’s Day. Our number is 800-296-2905.
