

Spring is the time of year when many of us begin our Spring cleaning. Here at Grandma's Pantry, we've begun to do the same thing. Our Spring cleaning is a bit out of the ordinary. We decided to "clean up" by adding to our website (www.GrandmasPantryVa.com) more than 300 of the wonderful products that we currently stock at our store in Harrisonburg, VA. These additions to the website include our ever-popular products and new products which we have just begun to carry. We've added products in just about every category: bulk and pre-packaged, candy and candy making, cookbooks, pastas, snacks, fruits, nuts, rice and beans, Shanks extracts, spices, syrups and trail mixes.

Two categories of products that we have now made available are made right here in our own great state – Virginia maple syrup and Virginia honey. Even though maple syrup is usually associated with New England, there is an abundance of sugar maples in Highland County, Virginia, that are tapped every year for maple syrup. You can order

delicious Grade A maple syrup from us in many different sizes, from 1 gallon down to a 3.4 oz. jar for yourself or to give as a gift.

One of the top five honey producing counties in Virginia is right here in Rockingham County. Our local honey is available in Meadow Clover, Summer Thistle, and Virginia Wildflower. We also carry two types of honey that are not native to Virginia - Tupelo (known for its unique flavor and inability to granulate) and Orange Blossom honey.

For those of you who are interested in natural foods and whole grain products, we have added a number of Bob's Red Mill prepackaged products. These are high quality products which meet the needs of many customers who desire organic products as well as gluten-free products.

A number of our popular dip mixes and specialty flavored cappuccino mixes have been added as well. Candy making supplies are now

abundant with many choices of the popular LorAnn flavored oils.

With over 300 products added, there isn't enough space to mention them all. We want to encourage you to take the time to look through our website and discover for yourself all the wonderful quality products that we now have available to you, our valued customers. Just fill your shopping cart order and within 24 hours we will contact you with the specifics of your order along with the cheapest possible shipping rate.
